
SAFETY DATA SHEET

A. Identification of the Substance / Preparation and of the Company Undertaking

Product Name: SpEC Latex WTA
Company: Speciality Engineering Chemicals
Address: P.O Box No. 61347, Dubai, U.A.E
Telephone: +971-4-8836662 Facsimile: +971-4-8837696
E-mail: info@spec.ae Web site: www.spec.ws

B. Composition / Information on Ingredients

Chemical Characterization: Blend of Portland cement, graded sand and organic polymers.

C. Hazards Identification

Hazard Information: None known

D. First Aid Measures

Eyes: Wash immediately with plenty of water. Get medical attention.
Skin: Remove contaminated clothes. Immediately wash affected area with soap and water.
Inhalation: Move affected person to fresh air. If symptoms persist, obtain medical attention.
Ingestion: If accidentally swallowed drink plenty of water and obtain medical attention. Point out the high alkaline content of cement.

E. Fire Fighting Measures

Unsuitable Extinguishing Media: N/A
Combustion Products: None

F. Accidental Release Measures

After Spillage/Leakage: Re-use where possible or mix with water and allow hardening. Bury in landfill. Flush contaminated area with plenty of water. In addition, please refer to the local regulations regarding disposal.

G. Handling and Storage

Technical Protective Measures: Avoid formation of dust. Store out of direct sunlight, clear off the ground by loading on pallets and protect from rainfall. Avoid excessive compaction. Mildly caustic.
Protection against Fire and Explosion: N/A

H. Exposure Controls / Personal Protection

Respiratory Protection:	Use masks since the product is dusty.
Eyes:	Safety goggles
Skin:	Gloves
Other:	Plastic apron, face shield, safety hat and boots. Observe the usual precaution when handling chemicals.
Industrial Hygiene:	Always wash hands when going on break and after working with the product.

I. Physical and Chemical Properties

Form:	Powder
Colour:	White or Grey
Odour:	None
Change in Physical State:	None
Boiling Point:	N/A
Melting Point:	N/A
Auto Ignition Temperature:	N/A
Explosion Limits (Upper/Lower):	N/A
Thermal Decomposition:	None
Bulk Density:	1785 kg/m ³
Specific Gravity:	N/A
Vapour Pressure mbal (°C):	N/A
Viscosity:	N/A
pH Value:	N/A
Solubility in Water:	Partly miscible in water

J. Stability and Reactivity

Hazardous Decomposition Products:	None
Hazardous Reaction:	None known

K. Toxicological Information

Information on Toxicity in General:	No data
Acute Oral Toxicity (LD50, rat)	
Skin and Eyes:	Irritant
Other Information:	Inhalation of cement dust may cause irritation to the respiratory tract.

L. Ecological Information

Ecological Effect: Do not discharge product in bulk quantities into sewers and drains as it might block flow of sewage water.

M. Disposal Considerations

Mix with water and allow hardening and burying in landfill. Refer to the local regulation regarding disposal.

N. Transport Information

UN Number: N/A.

O. Regulatory Information

No data available.

P. Other Information

The above data are based on our present knowledge.
