

SAFETY DATA SHEET

A. Identification of the Substance / Preparation and of the Company Undertaking

Product Name: SpECcell Fibre

Product Use: Joint Sealant

Company: Speciality Engineering Chemicals

Address: P. O. Box 61347, Dubai, U.A.E.

Telephone: +9714-8836662

Facsimile: +9714-8837696

E-mail: info@spec.ae

Web site: ww.spec.ws

B. Composition / Information on Ingredients

Composition: lignocellulosic cane fibre and impregnated with bitumen

C. Hazards Identification

Causes irritation to eyes and skin.

D. First Aid Measures

General: Not applicable

Eyes: Not applicable

Skin: Not applicable

Inhalation: Not applicable

Ingestion: Not applicable

E. Fire Fighting Measures

Suitable Extinguishing Media: Not flammable

Special Exposure Hazards: None

Special Protective Equipment: None

F. Accidental Release Measures

Safety Precautions: At the time of handling, loading/unloading by forklift necessary precautions may be taken.

Environmental Precautions: None.

Decontamination Procedures: None.

G. Handling and Storage

Handling: Palletized/bundle boards should be stored in covered warehouse.

Storage: Store in dry and cool area.

Decontamination: Not applicable.

H. Exposure Controls / Personal Protection

Occupational Exposure Limits : None assigned

Engineering Control Measures: None

Personal Protective Equipment: Impervious gloves (eg PVC). Goggles. Approved dust mask.

I. Physical and Chemical Properties

Physical State: Sheet

Colour: Brown

Odour: Odourless

Flash Point °C: -

SG/Bulk Density: 350-400 kgs/m³

Solubility: Insoluble

J. Stability and Reactivity

Stability: Stable.

Conditions to avoid: None.

Materials to avoid: Water and kept inside covered palce.

Hazardous decomposition products: None.

K. Toxicological Information

The material is essentially non-toxic.

L. Ecological Information

Not applicable

M. Disposal Considerations

Disposal must be in accordance with local and national legislation.

N. Transport Information

The material is classified as non-hazardous.

O. Regulatory Information

Not classified as hazardous for supply.
No statutory labels required.

P. Other Information

Issue: 1
Date of issue: 01-Jan-2006
Prepared by: SpEC Technical Department

No liability accepted for any injury, loss, damage or cost arising directly or indirectly from the use of any information contained within this MSDS since the customers treatment of the product is necessarily out of our control.

The data given above is based upon current knowledge and experience. This safety sheet is intended to describe our products in terms of their safety requirements. It does not guarantee the properties of the products described.
